This unit standard does not replace any other unit standard and is not replaced by any other unit standard.

**PURPOSE OF THE UNIT STANDARD**

This unit standard applies to all persons who will need to supervise the operation of a shooting range or shooting exercises for business or sport purposes. This supervision must ultimately lead to the safe use of a shooting range as a primary objective of this unit standard.

This unit standard applies to normal operation and does not include the requirements for the supervision of tactical exercises and range inspection.

A person credited with this unit standard will be able to:

- Demonstrate knowledge of standards and legislation required for the safe operation of a shooting range.
- Prepare participants and environment for a shooting activity.
- Carry out activities applicable to the conclusion of a shooting event.
- Be able to supervise the operation of a shooting range.

### **LEARNING ASSUMED TO BE IN PLACE AND RECOGNITION OF PRIOR LEARNING**

- Communication at NQF Level 2.

It is further assumed that the learner supervising a shooting range in respect of this unit standard has successfully completed the unit standard that they wish to supervise i.e. if the learner is to supervise 119649 then they must have completed 119649.

#### **PROVIDERS CURRENTLY ACCREDITED TO OFFER THIS UNIT STANDARD:**

*This list shows the current accreditations (i.e. those not past their accreditation end dates), and is the most complete record available to SAQA as of today. Some ETQAs have a lag in their recording systems for provider accreditation, in turn leading to a lag in notifying SAQA of all the providers that they have accredited to offer qualifications and unit standards, as well as any extensions to accreditation end dates. The relevant ETQA should be notified if a record appears to be missing from the list shown here.*
